# 263 Money Making Opportunities Sites

## A Simple idea to make money online for those who likes to write or blog

Pick a topic which you are interested to write or blog. It can be any topic for example gardening, cooking, sports, celebrities, fishing, hiking, automobiles, health, parenting or any topic related to your hobby. Remember that the topic you choose must be topic which you are passionate and loves to talk about.

Get a blog to and start writing about the topic you choose. You can get a FREE blog from Blogger.com which is under Google. But bear in mind that Google will delete your blog or account if you violate their rules and regulations.

Or you can purchase a domain name and blog hosting service for year which cost less than \$100. [Godaddy](#) or [Hostgator](#) can provide the services.

Start blogging. Produce at least one post a day. Keep up the posting rhythm no matter what. Focus on the quality of the post. You can write about the things you learned, actions taken, decisions made, thoughts or even your earning records.

Take pictures and videos related to your topic and upload to your blog. You may first upload the videos to YouTube and embed it on your blog.

Increase viewers or traffic to your blog using Stumbleupon, Digg, Twitter, Facebook, MySpace, Digital Point, Pinterest and Technorati. Sign up and place your blog URL at forums, directories and other social media sites you can think of. Create Facebook Page and Google+ Page specifically for your site.

Do guest posting and comments on other blogs which have similar topics.

Sign up for revenue sharing site and submit article. The list of sites can be found above. You can make some money and at the same time getting traffic to your blog. It is also a good way to build backlinks too.

Sign up [money making opportunities SFI](#). It is FREE to sign up. You may choose to invest as little as \$30 per month to speed up things. There are a lot of FREE materials and guides about making money online which you can gain access after signing up. This is yet another big topic on how to make full use of SFI to make money online.

Once your blog starts to gain certain amount of traffic, sign up Google AdSense. Apply Google AdSense ads on your blog once obtain approval. Alternative online advertising company similar to Google AdSense can be found on above list.

You can also sign up LinkShare, Clickbank or Commission Junction and start selling eBooks related to the topic of your blog.

Check out the list of Money Making Opportunities above. There are lots of ways that you can make money by writing, programming, designing, taking photos, drawing, translating, etc. You just have to find something that you like that suits your ability or skills.
